NEIGHBORHOOD DESCRIPTION

Set within the prestigious Eagle Ridge community—an 87-acre enclave of private 2+ acre estate homes—Vera Court stands as a masterclass in modern luxury living. This newly completed 8,243 sq ft architectural estate blends refined design, dramatic scale, and resort-style amenities to create an elevated living experience.

ESTATE DESCRIPTION

This modern luxury estate offering dramatic ceiling heights, refined white oak finishes, and a seamless blend of architectural elegance and resort-inspired living. The home features a grand two-story primary closet with LED lighting and island, a Taj Mahal stone chef's kitchen with Wolf and Sub-Zero appliances, a 20x7 ft butler's pantry, a cinema with a custom starlight ceiling, a game room, office, and two flexible living spaces. Elevated smart-home infrastructure includes Control4 automation, eight audio zones, twelve security cameras, CAT6 wiring, and a robust mechanical system with three HVAC units and tankless water heating. Outdoor amenities create a private retreat with a temperature-controlled pool, infinity-edge heated jacuzzi, sunken conversation lounge, full outdoor kitchen, premium turf, putting green, and mature oaks. Completing the property is a 3-car garage with Tesla chargers, an additional 2-car garage, and a 40-ft extended-height motor pavilion with an oversized enclosed vehicle bay, offering rare accommodations for collector vehicles or large-format storage. This estate embodies the perfect fusion of privacy, sophistication, and modern luxury within one of the area's most exclusive communities.
